RNLI FUN DAY - August 2nd 2009

RNLI Fun Day at Mundeford Quay is a charity event with all proceeds going to the Mundeford RNLI Lifeboat Station.

To assist the RNLI in their fundraising activities, the Blackhouse once again donated a weeks stay at the Black House which was auctioned on the day.

The auctions are always a great success and we are happy to have supported the Mundeford RNLI again this year.

Pictures taken at the event will also be available to view here [Picture Gallery](#)
